

## Guidelines for Witney Music Society grants to schools

1. We seek to support primary schools to deliver music tuition at KS1 and KS2 where it is already established.
2. We expect to spend around £3000 per year but this is neither a maximum nor a minimum target.
3. We expect to give around £500 per school.
4. We ask that applications are as precise as possible about how the money would be spent.
5. We prefer spending money on hardware (i.e. musical instruments) or software (e.g. subscriptions to *Charanga*) but would not commit to more than one term or academic year for this. We're not able to fund music lessons for individuals or classes.
6. We will provide funds up front and ask for a report on how the money has been spent.
7. We will make decisions about applications received following an e-mail sent to primary schools in the Witney area in spring each year.
8. Preference will be given to schools that have not received funding in the previous year.
9. We ask for a formal acknowledgment of Witney Music Society funding provision.
10. We will send a copy of this (or similar) set of guidelines to the schools when we solicit applications each year.
